LIVE FOR TODAY, FOR TOMORROW IS TOO LATE

As we go through each day,
we see each other as a different
creed or different race.
With different ideas and
motives and beliefs,
Yet we all belong to

We learn to make
and become friends.
And these friends become
our life and our past.
Live it,

Learn it, for tomorrow is too late!

PRESENTING THE 1986

The air was cool
on that October night.
Our football team
was ready to fight.

The wind was blowing.
Everyone was cold,
as we were waiting
for halftime to unfold.

The Homecoming Court
looked exceptionally grand,
as "Hello Again"
was played by the band.

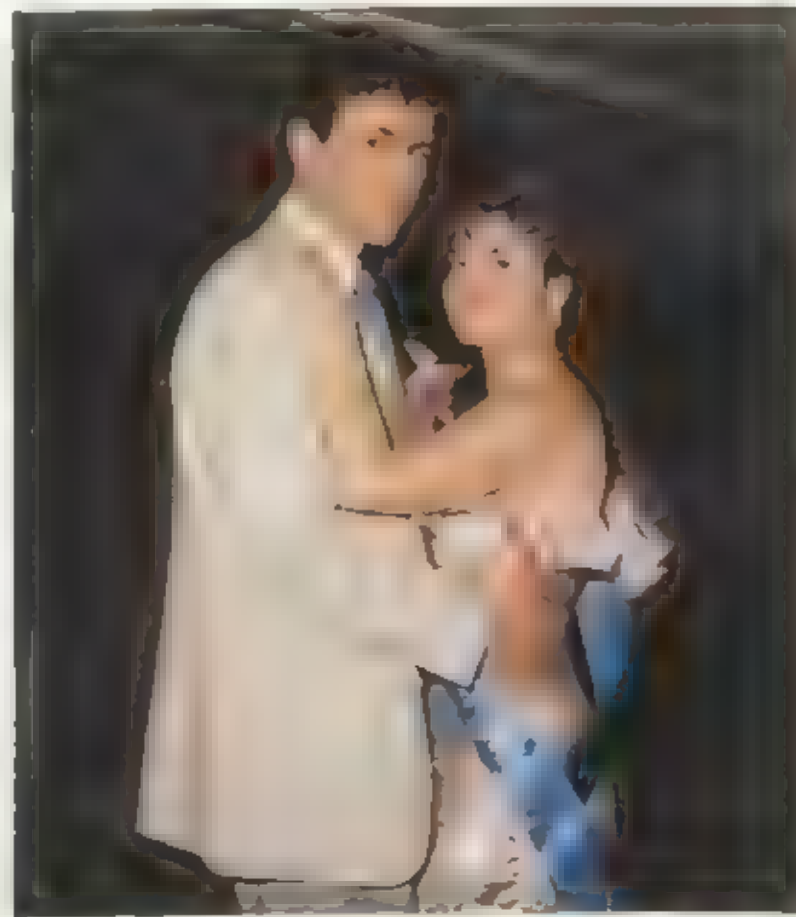

As the court was crowned,
many memories were made.
The thoughts of the good times
that no one would trade.

COME ON EVERYBODY

The Class of '87 has finally reached their long awaited senior year which has been devoted to their senior prom and graduation. According to Mrs. Woodworth, the highlight of sponsoring the senior class was observing the changes in the class as they grew from freshmen to seniors. "As you look back on your high school career, I hope you will remember the good times and the success we have shared. I hope you remember the struggle of working toward a goal and the joy of obtaining that goal." —Mrs. Woodworth

A NIGHT TO REMEMBER

The 1986 Prom was held in the beautiful San Marino Club in Troy. The couples looked so elegant in their dresses and tuxedos. They danced the night away, and spent a night they would never forget. When the excitement of the Prom was over, the couples carried memories with them that they would never lose.

CH . . . CH . . . CH . . . CHANGES

The class of 1986 experienced mixed emotions on the night of graduation. That night, the seniors found a new sense of independence as they reached the final moment — the moment when they received their diplomas. Valedictorian, Andrew Burnett, and Salutatorian, Pam Roselle, led their class down the aisle for the final time. Seniors sang their Alma-Mater with tears of both joy and sadness, as the evening came to a close.

UPPER LEFT: Michelle Jablonski and Berta Shaoni are happy graduates. UPPER RIGHT: Dr. Lee Bartman bids the class of 1986 farewell. SPIRIT WEEK '86 JAMS

This years fun-filled Spirit Week was held October 6 - 10. October 8 was Theme Dress Up Day (For Old Times Sake). October 9 was Class Color Day, and October 10 was Blue, Silver, and Scarlet Day. We had two exciting pep rallies to precede our Homecoming with Churchill; one of which included our field events; with seniors winning the best skit, water balloons' toss, boys' tug of war, obstacle course, best costumes, chain links, class yell, and hippity hop. The sophomore class came in first in girls' tug of war, most costumes, musical chairs, and the pie eating contest. The juniors won the egg toss.

The Jazz Ensemble is a group of dedicated musicians who meet three times a week after school to prepare jazz and pop music for performance. This year their performances included the "Day of Music," "Cabaret," "May Festival," the honors banquet and more. Under the fine direction of Mr. Al Johnston, the jazz band has had a successful three years and we look forward to many more.

This year's Symphonic and Concert Band practiced hard to achieve excellence on their music. They played under the direction of Mr. Al Johnston. They performed at several concerts including the Day of Music and band festival. To join band, one must audition by playing a selected piece of music demonstrating different rhythms, dynamics, and key signatures.

"YOU CAN'T TAKE

The fall play, "You Can't Take It With You" was a great success. The characters of Alice (Robin Aubrey) and Tony (Dave Jerore) cause mayhem when Tony's family comes to the Vanderhoff-Sycamore's house. Tony's father, Mr. Kirby, (Jason Nichols) is confronted by Grandpa (Jeremy Stemen) to change his ways to help convince Alice to marry Tony. The play is a Pulitzer-Prize winner.

PLEASE, SPEAK UP!

These relaxed and smiling faces are not always just so. After all the rehearsing and competitions, sometimes these faces turn sour. Yet every year our team has drive.

This gives our team, "The Winning Edge." Over the last five years, our school has never received less than a third place honor, which is a better record than any other team in our school.

STUDENTS PREPARING FOR THE FUTURE

SWOVEC is a great learning experience because it allows the students to gain experience in a specific field. And because of experience gained here, employers come to SWOVEC to find knowledgeable students to work for them. SWOVEC offers classes varying from cosmetology to engineering design. The three sessions, A. M., P. M., and extended day, make it possible for anyone interested to attend.

Students say that the college atmosphere and feeling of freedom at SWOVEC gives them a sense of independence. The fact that you are doing something you like and chose to do makes SWOVEC a great place to learn

IT'S SHOWTIME!

One of the programs which is shared by Walled Lake Western and Walled Lake Central, Television Production, is a great asset to both schools. In this class, the students learn everything they need to know to produce a television show. The programs aired are devised, written, and produced by the students.

This years addition of Tracey Mills, Assistant Program Director, has made it possible to have more community exposure and more Walled Lake Central exposure. She is very beneficial to the program and Mrs. Schaerer, Program Director. The success of WLTV promises a prosperous and shining future for the class.

CO-OP STUDENTS GETTING

For many people it means credit towards graduation, while still others choose it for the money that they will earn. But the main reason most people take Co-Op (Cooperative Education) is to get a head start on their careers.

"Co-Op allows a high school senior the opportunity to enter an occupational field on their chosen career ladders. This real life experience enables each student the chance to further develop the vocational skills acquired in school, utilizing the employers materials, equipment, knowledge, and experience. This learning opportunity gives seniors help in adjusting into the Real World of Work." "Wayne Bell - Industrial Education"

THE SPARE CHANGE REALLY COUNTS

WLW's Spare Change consists of 31 students enrolled in Marketing 1A class. Some of the tasks they perform include working the registers, sales, stockwork, displays, advertising, purchasing, and inventory. All proceeds usually go back into the store but they have in the past, paid for the Vocational Education luncheons and bought an Apple computer. These dedicated students are sponsored by Mrs. Korpela and Mr. Bottke. They both agree that the Spare Change prepares them for the retailing world

CO-OP NURSES US BACK TO HEALTH

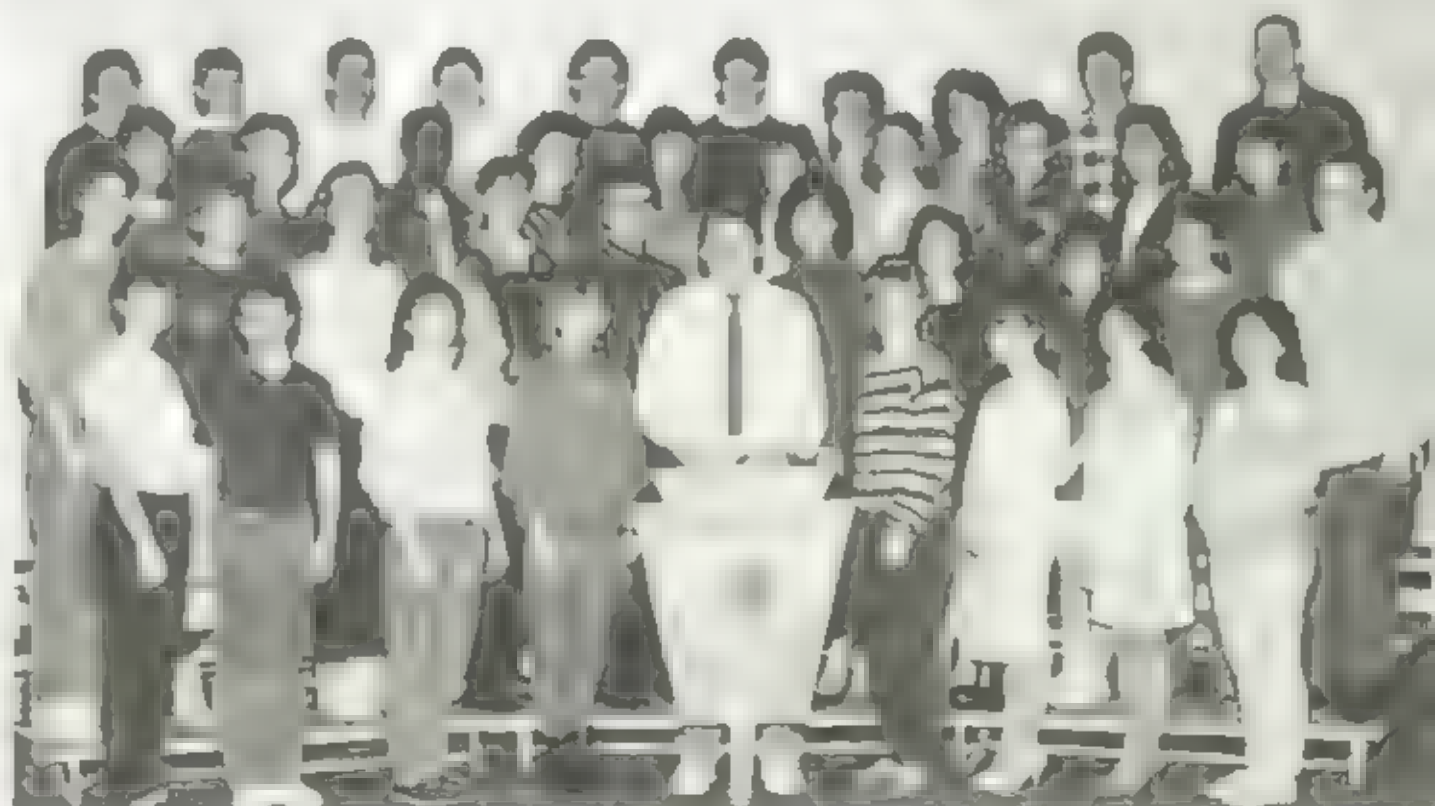

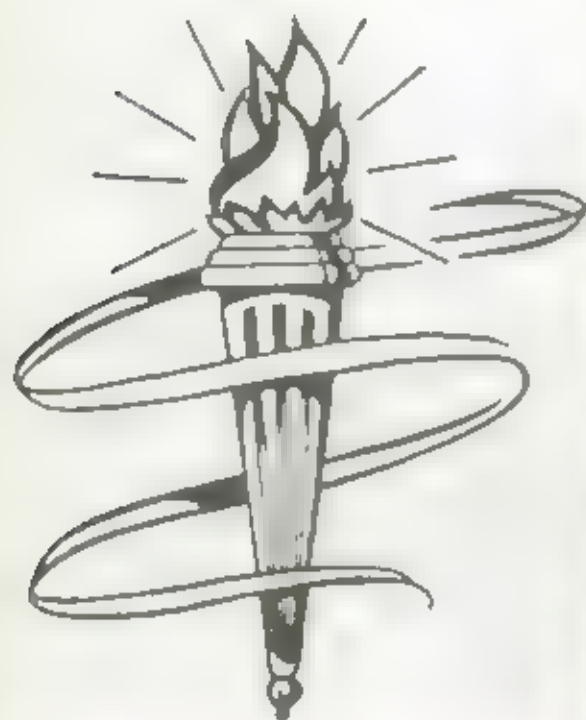

Health Occupations Co-op is designed to prepare young men and women for entry level skills into several Health Occupations. These students take field trips and have outside speakers from places such as hospitals. Warrior Leadership is a very important part of W.L.W. The council is sponsored by Mrs. Gallagher. Each year students are elected from all four classes to the council. These students, along with Mrs. Gallagher, meet once a month to organize various activities throughout the year such as Spirit Week, Winterfest, Volleyball Marathon, Talent Show, and many more. Without our Warrior Leadership Council, life at Western would not be nearly as exciting.

REVIVING THAT WARRIOR SPIRIT

During Winterfest this year, the juniors dominated but that did not stop everybody from having a "blast." From the performing arts assembly, to the assembly recognizing the fall sports team members, Winterfest was once again a big success. Class participation was outstanding in such things as the can food drive, the banners, and the wishing well.

At the assembly the students were introduced to all of the winter sports. The wrestling, gymnastic, and volleyball teams all demonstrated their abilities. The cheerleaders performed a hard practiced routine. It was recognition for all the participants' accomplishments.

WORKING THEIR WAY TO THE TOP

This years JV team had a disappointing season with a record of 3-5-1. Although they worked hard during the season they just couldn't get on the right track, under the leadership of Dave Moriarty and Ken Connor. They said that after their starting quarterback Shoane Scannell was moved up to Varsity, Brent Liddy stepped in, and did a tremendous job for them. And on defense Mark Rinz held the offenses down with a spectacular job at linebacker. He also had the most tackles for the team. But they are hoping for a winning season on the Varsity Team next year.

As Coach Uyttendaele said, "They improved over the year as the coaches and players got to know and understand each other." They will be looking forward to a winning season on the JV squad next year.

The Warrior cheerleaders were full of spirit and enthusiasm this 1986 football season. The Varsity squad was coached by Mrs. Bellinger; the Junior Varsity by Mrs. Trinkwalder and the Freshmen were coached by Mrs. Wissink. The goals according to the coaches were to advise the cheerleaders in getting our school spirit to its highest peak and to get the Warrior fans on their feet. The 1986 cheerleaders did a great job on their sparkling dance routines, skits, and cheers.

Mr. Hobson said "We've lost five ball games by two points or less but winning isn't every thing. What we're trying to accomplish is how to teach the girls how to play the game". Mr. Hobson reported that Julie Craig had the most points, the most rebounds and was the most valuable player along with being best offensive player. GIRLS FRESHMEN BASKETBALL JUMPS FOR JOY

The 1986 Freshmen Girls Basketball team was coached by Sheri Davis, a former three year Varsity Girls Basketball player for Western. Sheri enjoys coaching the girls and says it's a real experience. Sheri is very proud and pleased with the teams effort and is looking forward to coaching the incoming Freshmen team. April Blanton had the most points and rebounds. Jenny Dulac was the most valuable player, and the best offensive and defensive player.

IMPROVEMENTS MADE WITH PRACTICE

This years team consisted of three returning varsity players and seven girls playing in their first match. Consequently, a great deal was learned. The improvement was obvious over the season from a coaching standpoint. Each girl worked hard at improving their game. The best match of the season was against Waterford Mott with a 5-2 victory. The most valuable players had to be the 3 returning varsity members. The most improved player was the number one singles spot, Tina Snyder. The three top positions were held by Tina Snyder, Kelly Leahy, and Lisa Childers.

GIRLS SWIMMING . . . REACHING FOR VICTORY

GIRLS SWIMMING. The girls swimming team showed great improvement this year over past years performances. The girls won three dual meets, including an impressive victory over Walled Lake Central. The team placed second of five teams at the Pontiac Central Invitations.

The team was led by senior captain Jill Junnola who set three school records. The team was also led by juniors: Amy Hopeck, Tami Vavra, Denise Biron, also Laurie Beck. Mrs. Hetherington has a lot of hope for freshmen: Jenny Ziegler, Lisa Cohorst, Annette Gates, and Marlena Howe. The team shows great promise for the years ahead.

Despite the fact that the Boys Varsity Basketball team was young, with only three seniors, they still had a strong year. The season record, as of March ninth, was seven wins and thirteen losses. The Warriors finished fourth in the division — tying with Northville. Coach Connor feels the team has improved over the year. In the opening round of Districts, Walled Lake Western upset Walled Lake Central 56-52.

REBOUNDBING FOR THE FUTURE

This years 1987 junior varsity team was mediocre. Although this young team did not win a championship, the Warriors made a great effort. They were a bunch of guys who went out for the team to have fun and to learn. As the basketball players grew older, they learned the principals of the game.

To our next years varsity team, basketball is not a game anymore. Somewhere in their hearts, these men have a dedication to Walled Lake Western High School.

The team consisted of nine sophomores and two freshmen. This year was a year to get these players ready for varsity. They gained knowledge by developing their skills and building character. The hard work of these guys will pay off when they dress in a varsity basketball uniform next year.

The 1987 J.V. record was 8-12.

THE HIGH FIVE CLUB

The 1987 freshmen team experienced very much this year. Coach Smith taught the players about pride and adoration. There were those on the team who drew all of the attention and some who struggled through the season.

For the young Warriors, it was their first year in high school. All of the players were filled with stress, but there were happy moments. It was a good start for the freshmen team, who have three years left to prove themselves.

The freshmen's record was 3-12

VARSITY CHEERS FOR VICTORY

The 1986-1987 basketball cheerleaders cheered their teams on this year with a great deal of spirit and enthusiasm. The Varsity and J.V. cheerleaders were coached by Mrs. Trinkwalder. Mrs. Schultz took charge of the freshmen squad. Stunts and mounts were not allowed this season, yet the cheerleaders overcame this obstacle and rooted their teams on to victory.

This year's Varsity wrestling team had more than just a decent season with a record of 11-5. The team consisted of four seniors, six juniors and two freshmen. The team was lead by the leadership of the four seniors: Dave Zehnder, Rob Crawford, John Smith and Steve Boulton. At a meet the winner is judged by the team score but to get there it is really an individual sport. This year there were three wrestlers who made it through Districts and Regionals. The three wrestlers who were sent to state were senior Dave Zehnder and juniors Pat Conway and Jason Nichols.

They came out very well with a record of 5-6. The freshmen brought back two second place team trophies from two different tournaments. The coach, Neil Fenzel, was very proud of the freshmen that wrestled for him. He is hoping for a winning season next year with the help of a full freshmen team.

It will be the first time, since the pool reopened, that a coach has returned for two consecutive years. The coaches are hoping for more people to join the team, and want people to know that it is not a "wimps" sport. The team is hoping for a winning season and more support from the school next year.

SKIING THEIR WAY TO THE TOP

Western's Ski Team underwent a year of rebuilding and reorganization under the direction of Coach George Derderian Jr. and assistant Coach Chris Haney. The team saw an improvement in victory and in attitude. Though the team will miss Scott Coulter with his competitive nature and skiing ability, along with the other seniors Danielle Webster, Sarah Davio, and Mark Smith, Western's Ski Team has some hungry freshmen, sophomores, and juniors to take their place. Next year promises to be an even better year for the Warrior Team. Coach Derderian promises a well equipped and well honed racing machine for next year.

Is that flying gymnast Wendy Reimer?

Robin Pochter smiles while stretching out.

This year's Gymnastics team had its ups and downs, but the team put their efforts in everything that they did. There were many freshmen on the team this year which shows that there is a lot of interest for the sport. There are two seniors that will be leaving the team this year, Shawn Cottrell and Wendy Reimer, but they will leave behind many promising freshmen. Within the next few years, the talents of these underclassmen should prove to build a strong team.

Some of our foreign language students went to Europe. Before they went however, they realized that they had to learn the language. Our language department offers three different levels of Spanish, German, and French. Each class is harder than the one before it. Students who take a language class not only learn about the language, they also learn about the country and the way of life in that country. Several students that have previously taken a foreign language class or are presently taking a class, will tell you that it is well worth taking.

WHAT WOULD WE

While you are at home sleeping or at the movies with friends, the custodians sweep, wax, and shine to make our school clean. The custodians work twenty-four hours a day in three shifts. We have the finest, friendliest custodians around. You can always find them smiling even though the work is hard.

The custodians are the people behind the scenes who are vital to our school. Their laborious efforts and devotion are what keeps the school going.

DO WITHOUT THEM?

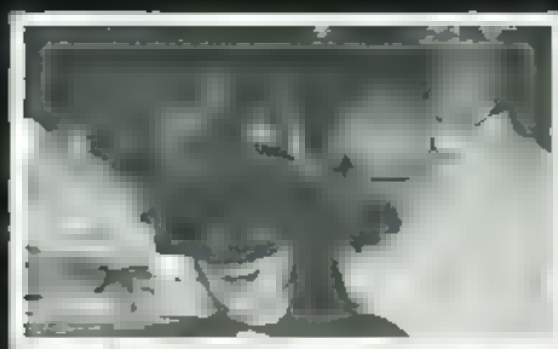

Dealing with a mob of hungry students day after day is difficult work. The cooks are a hard working team and even though this year's students seem to be more energetic, the head cook, Joann Woodkey, commented that they are a nice group of kids.

Each person in the kitchen has specific duties to keep lunch running smoothly. Preparing lunch takes all morning. The cleaning up afterwards is also a lengthy process. Sometimes the importance of their job goes unnoticed by the students but the cooks all work very hard and deserve our appreciation.

SOPHOMORES ON THEIR

Kristie Paull, Kim Thompson, Stephanie Paschal, and Darlene Keevis have provided a tremendous amount of leadership for the Class of '89. With the help of these young ladies our job as class advisors is very easy. Their enthusiasm and desire to do well has been extremely helpful. These young ladies have been involved in selling candy and flowers for their class. Thanks to their leadership and the Class of '89; we have had a positive two years.

LOVE THOSE

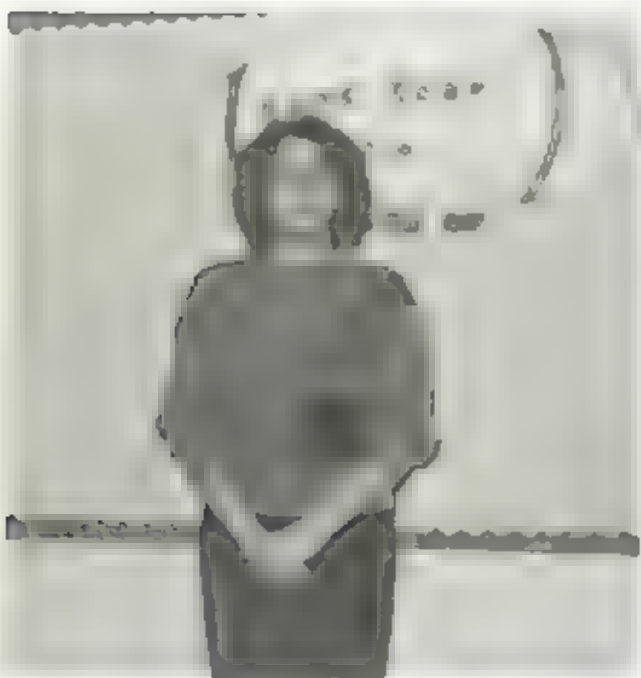

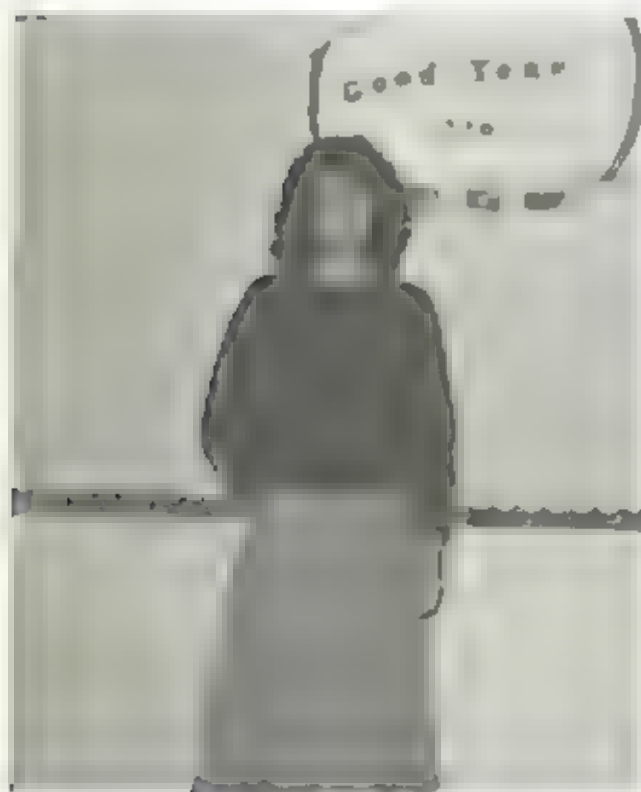

SOPHOMORES!

THE FUTURE'S SO BRIGHT . . .

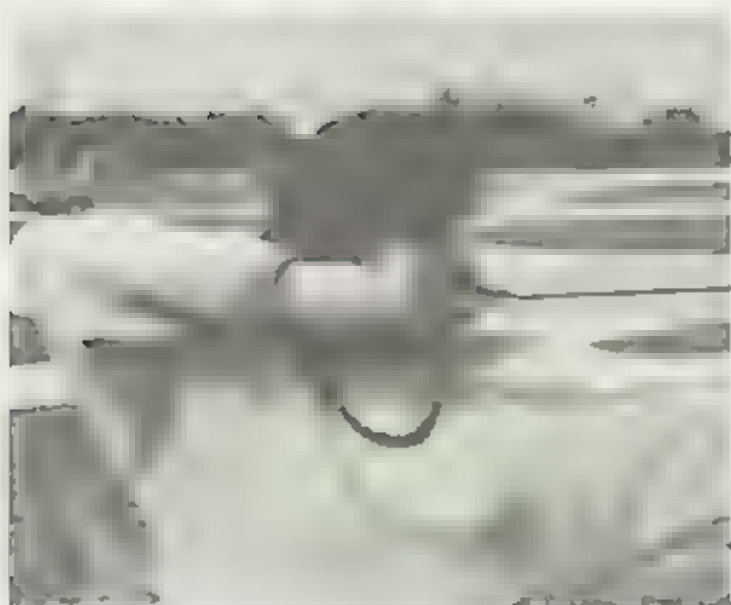

Freshmen Class Sponsors, Michelle Schultz and Linda Kantor, were amazed at this years freshmen class. Usually freshmen do not get involved in school activities and fundraisers. Well not the class of '90! They are ready to go! The class is full of good leaders.

During this years candy sale, the freshmen tied with the seniors in sales. Not only did they sell lots of candy, but they had more participants than previous freshmen classes. The February flower sale also went well. Their willingness to get involved makes them a fun-loving class with a lot of spirit.

THE ROARING 90'S

PRESENTING THE FOREIGN EXCHANGE STUDENTS

I am Arlene Lee, a Rotary exchange student. I am from the Philippines. I am planning to stay here for one year to be able to graduate in high school and to find out and experience for myself the true American dream.

My name is Vanessa Vidovic. I am from Yugoslavia and I'll stay here two years. I like this area and people I've met in this school and I'll hope I'll speak language as well as they do very soon.

My name is Juan M. Gallego and I am an exchange student from Spain. I came here in August, 22nd and I will leave in June or July. I am staying with a very nice American family, the Montettes. The reason why I am here is because I want to know new people, learn English, and try to discover what makes U.S.A. so wonderful and attractive. I like Walla Walla Western High School and I am enjoying to be in this nice school.

I like to introduce myself. My name is Sigrun Otterwald. I am German exchange student and I will stay here for one year. I came here because I want to learn about the American way of life. Something I can only experience by living in the U.S.A. with a host family and by being a student. I will miss my friends I found here and I would like to thank you all for welcoming me with open arms and being so helpful and kind.

IN MEMORY OF BRAD KOHLMAN

FROM THE '86-87 YEARBOOK STAFF AND THE CLASS OF '89

"There are certain thoughts and feelings that mere words cannot impart, that can find expression only in the language of the heart."

THE FINAL CHAPTER . . .

Well it's been an interesting year to say the least. With a new yearbook advisor, Darryl Goncharoff, and an entire new staff, we've had a lot of adjusting and learning to do. However, with our Western Spirit we made it happen. I hope you have as much fun remembering the memories as all of us did making them. Fortunately, with the help of the yearbook crew we made them last through words and pictures. Therefore, I would like to express my greatest thanks to the yearbook staff.

REMODELING STARTS WITH A BEAUTIFUL IDEA.

An Andersen® bay or bow window can add to the charm and value of your home. If your wall space is limited, an Andersen bay window could be ideal—it can take up as little as 50" of wall space. Come see our Andersen window display. It could give you a beautiful idea.

A Thought For Today

This is the beginning
of a new day.
God has given me this day
to use as I will.
I can waste it
or use it for good.

What I do today is important
because I'm exchanging
a day of my life for it.
When tomorrow comes,
this day will be gone forever,
leaving in its place
something I have traded for it.

I want it to be gain, not loss;
good, not evil;
success, not failure
in order that
I shall not regret
the price I paid for it.

So many wander aimlessly through life
Seeking a stimulus unknown.
Ne'er visualizing themselves at the helm
Not leading but needing to be shown!

Magnificent it is to see your goal
With assurance and unquestionable clarity.
To feel your tenacity best described as bold.
Your purpose overshadowing despairity.

Each of us stands at the helm of our life.
For some a laborious prison looms.
Deny that negative thrust and strife.
Create a garden in which to bloom!

Your magnetic, compelling purpose will appear.
The result of your determined success.
Your goal is now remarkably near.
Be not content to settle for less!
